Objectives and Outcomes

- Importance and impact of creating a culture of learning and curiosity
- Practical application for creating upskilling opportunities within your team
- How to incorporate “play time” as part of employee duties/responsibilities

May 7-9, 2024 The M Resort  Las Vegas, NV

Mind the Gap

- Rapid evolution of tech can outpace the skills of IT professionals (Indeed)
- 80% of IT/Business Execs reported moderate to extreme challenges in finding candidates with the right skills/expertise (CompTIA)
- Tech sector has 13% turnover rate (LinkedIn)
- Increased competition for talent

May 7-9, 2024 The M Resort  Las Vegas, NV

What is "Play Time"?

Time dedicated to the upskilling and growth of employees which encourages them to branch out from their wheelhouse and develop new or more advanced knowledge

May 7-9, 2024 The M Resort  Las Vegas, NV

What's holding
you back?

Time

SLAs

Productivity

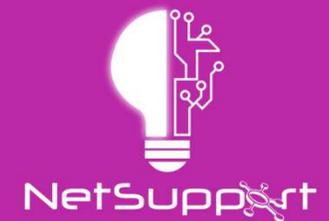

May 7-9, 2024 The M Resort  Las Vegas, NV

85% of workers believe it is "extremely important" for their employers to help them develop new skills. It **helps employees feel valued** at their jobs and **keeps them engaged.**

May 7-9, 2024 The M Resort  Las Vegas, NV

Positive Outcomes from Play

Increased engagement and motivation

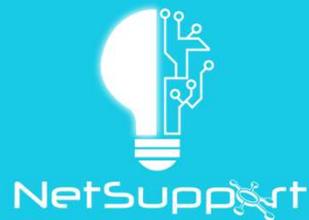

Improved problem-solving skills and adaptability

Innovation and development of new solutions

Stronger competitive edge and leadership

May 7-9, 2024 The M Resort  Las Vegas, NV

Getting Started

- Clear expectations and guidelines
- Mentorship and collaboration
- Dedicated time vs flexible hours
- Progress tracking and measured impact
- Variety of resources and support

May 7-9, 2024 The M Resort  Las Vegas, NV

What does it look like?

Sending IT team members to a sales/marketing event

Physical/virtual demo rooms for software or company products

Team member-led trainings/workshops on areas they are the SME

Interactive LMS with curated content specific to products or skills

Access to 3rd party training (Google Certs, LinkedIn Courses, Etc)

May 7-9, 2024 The M Resort  Las Vegas, NV

Add Some Fun!

- Earn badges for completing new skills training
- Team rewards for:
 - Hours logged
 - Courses completed
 - Highest level achieved
 - Leading workshops/webinars
- Gamification through quizzes/competitions/simulations
- Host Lunch and Learns
- Recognize achievement on LinkedIn or internal platforms
- "Snap Chat"
