5

Top-Down Support

- They provide the leadership, resources, and authority necessary for the successful implementation and maintenance of a SAM program.
- They can set the tone for compliance, drive organizational alignment, and ensure that initiatives contribute to the achievement of business objectives.

May 7-9, 2024 The M Resort Las Vegas, NV

6

Resource Allocation

- Executives control budget allocations and resource distribution within the organization.
- With their support, adequate resources, including funding, personnel, and tools, can be allocated to establish and maintain the SAM program effectively.

May 7-9, 2024 The M Resort Las Vegas, NV

7

Strategic Alignment

- Executives can align the SAM program with the organization's broader strategic objectives.
- This will ensure that initiatives support business goals such as cost reduction, compliance, risk management, and operational efficiency.

May 7-9, 2024 The M Resort Las Vegas, NV

8

Risk Management

- Executives are responsible for managing organizational risk, including the risks associated with software licensing compliance.
- Engaging executives in SAM helps to mitigate these risks by establishing effective policies and procedures.

May 7-9, 2024 The M Resort Las Vegas, NV

9

Decision Making

- Executives make key decisions regarding budget allocation, programs and software procurement.
- Their involvement in the SAM program ensures that decisions are made with full awareness of the organization's software assets and their implications.

10

Communication and Advocacy

- Executives can communicate the importance of SAM across different departments and levels of the organization.
- They can serve as advocates for the program, helping to promote awareness and participation among employees.

May 7-9, 2024 The M Resort Las Vegas, NV

11

Accountability

- Executives hold ultimate accountability for the organization's performance and compliance.
- By engaging them in the SAM program, you establish clear lines of accountability for software asset management practices and outcomes.

15

Align with Business Objectives

- Frame the SAM program in terms of how it aligns with the organization's overarching business objectives.
- Highlight the tangible business value of SAM initiatives, such as cost reduction, compliance risk mitigation, and improved operational efficiency.

May 7-9, 2024 The M Resort Las Vegas, NV

16

Provide Executive-Level Dashboards and Reports

- Provide concrete data on current software usage, licensing compliance, and potential risks.
- Highlight cost savings, license optimization opportunities, and risk reduction that can be achieved through SAM practices.
- Provide the information and tools they need to make informed decisions about SAM-related initiatives.

May 7-9, 2024 The M Resort Las Vegas, NV

17

Highlight Return on Investment

- Develop a business case that outlines the potential return on investment (ROI) of implementing a SAM program.
- Highlight tangible and intangible benefits, such as cost savings, productivity gains, and reduced audit exposure.

May 7-9, 2024 The M Resort Las Vegas, NV

18

Engage Early and Often

- Engage executives early in the SAM planning process to secure their buy-in and support.
- Schedule updates, regular briefings, and presentations to keep executives informed and updated about progress, challenges, and successes.

May 7-9, 2024 The M Resort Las Vegas, NV

19

Focus on Business Value

- Highlight the tangible business value of SAM initiatives, such as cost reduction, compliance risk mitigation, and improved operational efficiency.
- Connect SAM activities directly to organizational goals and objectives.

May 7-9, 2024 The M Resort Las Vegas, NV

20

Highlight Compliance Risks and Consequences

- Emphasize the potential compliance risks associated with software licensing non-compliance, including audit exposure and financial penalties.
- Illustrate the importance of proactive efforts to ensure regulatory compliance and avoiding costly audits.

May 7-9, 2024 The M Resort Las Vegas, NV

21

Address Concerns Proactively

- Foresee and address potential concerns and objections, such as costs, resource constraints, organizational resistance, and perceived intricacy and address them proactively.
- Provide case studies and evidence-based arguments to alleviate doubts and build confidence.

May 7-9, 2024 The M Resort Las Vegas, NV

22

Cultivate Relationships and Trust

- Encourage collaborative relationships that are open and founded on trust, transparency, and mutual respect.
- Serve as a reliable consultant who understands their priorities, listens to their concerns, and provides actionable insights and recommendations.

May 7-9, 2024 The M Resort Las Vegas, NV

23

Demonstrate Continuous Improvement

- Emphasize the importance of continuous improvement in SAM practices and processes.
- Highlight initiatives that will enhance efficiency, optimize software usage, streamline license management, and adapt to evolving business needs and technological trends.

May 7-9, 2024 The M Resort Las Vegas, NV

24

Key Reports

It is essential that the reports provide concise, relevant, actionable data.

- Executive Summary Dashboard
- Compliance Report
- Cost Savings Report
- Software Usage Analytics
- Vendor Management Report
- Security and Risk Assessment
- Police Compliance Report
- Trend Analysis and Forecasting
- Benchmarking Data
- Action Plans and Roadmaps
