Minister David van Weel (Justice) says that the outages primarily cause **'inconvenience'**.

"Emergency services are working as usual. It seems there may be a link to the Defense network. But you can never guarantee 100 percent that networks will stay up. There can also be an outage at Defense. So, it doesn't necessarily have to be an attack, yes, this happens from time to time. ***Get used to it***, I would say. We are still in the process of assessing the situation."

The book cover features a decorative border with four ornate, symmetrical corner designs in a dark blue or black ink. The background of the cover is a light, textured color, possibly white or light blue, with a subtle pattern. The text is centered within this border.
