FAQs

What is the ACE (Annual Conference and Exhibition)?

The Annual Conference and Exhibition is the only education and networking event in the world that is solely dedicated to IT Asset Management. Held all over the world, IAITAM's ACE events allow ITAM practitioners to connect every year.

What is included with my ACE pass?

Every ACE pass will include access to the educational events and workshops as well as access to industry-leading vendors in our expo hall. IAITAM prides itself on the food we serve at ACE. We offer breakfast, lunch, two food breaks, and heavy hors d'oeuvres (dinner); so, if you participate in all the events, you will never leave hungry. IAITAM's ACE is legendary for its networking opportunities and uniquely themed events. We look forward to seeing you there! Visit IAITAM.org to learn more.

How do I become a speaker for ACE?

IAITAM publishes a Call for Speakers asking experts in the industry to submit a Submission Form. If approved, you will be contacted and welcomed as a speaker for the upcoming ACE. IAITAM loves to work with new speakers who have made an impact on their organization and can bring real-world information to our attendees.

A large, stylized white 'M' logo is mounted on the upper left portion of the building. Below the glass section, there is a lower building with a light-colored wooden or stone facade.
